Judge,

8-3-15

Hello my name is ~~Casey~~ Rose.
 I am writing this to you to
 ask you if I can fire my
~~attorney~~ attorney. I do not feel
 that he has my best interest first
 for these reasons

1. He has lied to me on several
 occasions. Said that they (feds)
 don't need warrants to monitor
 phones. Also said that I cannot
 withdraw a plea (and I have). Said
 that somehow my trial date got
 moved up a couple of months and
 there's nothing I can do about it.
2. He isn't corresponding with me. He
 don't write me - never once. He
 has only come up here to visit me
 twice and that was to discuss plea
 agreements 4 months ago. Never
 to talk about my defense for trial.
3. He hasn't showed me any evidence
 as to why I'm locked up and
 I go to trial next month. I've
 asked for a copy of the Discovery

but do not have it. I've asked for copies of the warrants to no avail. A copy of my text messages - to no avail.

4. I've asked for a evidence hearing months ago and still haven't got one.

Judge I don't feel he is doing what is best for me. I can't do my dad everything, if not more than he has done. I am more than capable, and if he has lied about one, two, three different things, what more?

Judge please Remove him from my case. Appoint someone who will fight for me or let me Represent myself. My life, my freedom is on the line here.

I haven't fired a attorney on this case. The last one asked to be taken off the case - this one I'm firing! Give me someone who wants to win, who will stand up for my rights as a U.S. Citizen. OK

let me go Pro Se. I will not
make a mockery in your courtroom.
On the contrary, I will respect
you, the prosecutor, jurors and
anyone involved. I just want
the truth out and if I have
to do it myself then so be it.
But not with Scott Anderson,
as a matter of fact I will not
say another word to him - I don't
trust him.

Thank you Judge - you're the
only hope I got

Sincerely

Sylvia Guardian
